Please keep this form safe - we will need you to return it to us to claim Gift Aid. If you do not have enough sponsorship forms, feel free to photocopy this one. **Remember,** get sponsored by and collect donations from people you know and trust. Ensure children are supervised and do not let them collect money from strangers. **Please Note:** The Children's Safety Education Foundation facilitates this event. However, because this event takes place in the home, the foundation is not responsible for the daily organisation or the collection of the money generated from those that pledge their support. We are however delighted that such an effort is being made to generate funds on our behalf.
